Vice City, USA. Jason and Lucia have always known the deck is stacked against them. But when an easy score goes wrong, they find themselves on the darkest side of the sunniest place in America, in the middle of a criminal conspiracy stretching across the state of Leonida — forced to rely on each other more than ever if they want to make it out alive. Check out the new Launch Trailer, featuring new music from electronic duo Justice, composers of the original score from Grand Theft Auto VI. The new standalone Justice single, “Flower in a Hurricane” feat. Tame Impala, SZA, and King Gizzard & The Lizard Wizard, is also available on Grand Theft Auto VI: The Album, the official soundtrack which is currently available to pre-save on all major music streaming services and up for pre-order on vinyl or CD at https://gtavi-thealbum.com. Listen to “Flower in a Hurricane” now: https://justice.lnk.to/flowerinahurri... This trailer was captured entirely in-game from a PlayStation 5. Grand Theft Auto VI arrives November 19.
